

1st International Congress on Project Management
hosted by the largest university-based project management network in the world
at the Université du Québec en Outaouais (UQO) — 27 - 29 May 2011

The new frontiers of project management
<http://w4.uqo.ca/congmgp/index.php?lang=en>

Our keynote speakers:

- **Dr. Janice Thomas**, Athabasca University, *Planning for the Future of Project Management: Where are we going and how will we get there?*
- **Dr. Christophe N. Bredillet**, *Editor of Project Management Journal*
- The New Frontiers of Project Management

We invite you to come and explore with us these new frontiers of project management

- Project management in non-traditional sectors
- The management of complex projects
- The interface between project management and organizational strategy
