

What's Left to Be Said?

After another great year, what could possibly be left to be said? This is a team that is never at a loss for words!!

- **Post-event survey:** This is an important way for the symposium team to make improvements for future events. Please take a few minutes to rate our performance and to provide suggestions for future speakers, themes, tracks, etc.
- **PDU:** PDU claim information was provided as part of the post-event survey. If you did not receive it or have misplaced the instructions, contact our registrar Terri to have it resent. Terri.Cheeseman@pmiovoc.org
- **Volunteering:** Volunteering for the symposium can be a lot of fun. We're a close-knit team who works hard to produce a high-quality event. Want to become a part of it all? Check out the volunteer web site at pmiovoc.org/files/home/Volunteers.html for upcoming opportunities and information.
- **Speakers:** We are always looking for suggestions on speakers, topics, etc. If you would be interested in becoming a speaker at a future symposium then keep your eyes open for the "Call for Speakers" which should be announced sometime around March 2012.
- **Presentations:** A link to all the stream presentations was sent out prior to the symposium. If you did not receive it or would like it resent, please contact our registrar Terri at the address above. Please note: presentations are provided to paid registrants only and are not to be shared. Keynote speaker presentations are not provided.
- **Sponsorship:** Sponsorship opportunities range from as low as \$200 all the way up to our platinum level at \$4,000. Sponsorship is limited so if you or your company are interested in sponsoring next year, contact the symposium team through the PMI OVOC secretariat at info@pmiovoc.org
